

## **We are Preparing to Travel to Ghana to Meet the Children**

Preparations are underway for our trip to Ghana in the first week of March. This year, there are Seven of us heading to Ghana. The group includes Five volunteers, all from B.C, who are travelling to Africa for the first time.

We have the Rai's, a couple from white Rock, The Nelson's a mother and son team from Maple Ridge and a fifth one, an entomologist from Kelowna. Don Wolfe going with us for the second time.

They are all excited to be going with us to meet the children that we support and interact with them as we visit the Ten villages that we sponsor Children.

It will also be an opportunity for them to see a cross section of Ghana as we travel by road for a week from Village to village.

## **Did you Receive Your Tax Receipt from FACE**

We hope you received your tax Receipt for your donation to us in 2023. You likely received it by email from Canadhelps.org the same day you made your donation by credit card. For those who sent a cheque by mail, the receipts were emailed end of January 2024.

If you did not receive it, I suggest you first check old emails and search for mail from canadahelps.org If something went wrong and you still can't find it, please email us at Canadahelps.org and we get a duplicate tax receipt sent to you.

Thanks for your Support which is making it possible for us to continue our mission this year and keep Supporting these needy Children. God Bless you .
